

FAQ

How do I book a photoshoot?

You can book online, send an email or give me a call. If you call and I don't answer I am probably busy with a photoshoot. I will get back to you asap or send me a whatsapp message.

How long does a photo shoot take?

Depending on how big the property is and what your demands is, it is normally between 30min and an hour.

How do I prepare my property?

Please see the preparation guide

When will I get my images?

You will receive the images within 24-48 hours.

Do you do any other types of photography?

I specialize in architectural/real estate photography. I do not have the equipment to do weddings, sports or studio photography. I will be happy to refer other great photographers.

How much does a shoot cost?

It is very difficult to post a price as there are different options. Contact me with your requirements and I'll send you the pricing.

In what format do I receive the images?

The most popular format I use is Dropbox or We-transfer. I will send you the high res images as well as smaller sized images for if you want to use the pictures on email or whatsapp. If you have specific requirements please send them to me.

What areas do you cover?

I am based in Paarl, with no additional cost I cover any area within a 30km radius, thereafter will be R3.50 per kilometer extra.
